

KLOVE is the only christian radio station in my area that plays the contemporary christian music I like to listen to. I would not want these LPFM stations to take over KLove. I believe KLOVE helps people who in their everyday lives by giving them encouragement and something to hope for. The fact that KLOVE is listener supportive and has not yet gone off the air clearly shows that many people listen to KLOVE and believe in the work that they do. I myself am a supporter, and would not like to see the money I have sent to them be a waste because people can no longer get KLOVE's signal on their radio. Please do not let these LPFM stations overtake KLOVE.

Thank you.
